## Picture Day Schedule October 22, 2020

The 2020 Individual Picture Day schedule is below. Please plan to have your classes at the picture site at the allotted time. Since we are not allowed to have volunteers this year we may not have "runners" that can come and get your class when it is time.

Pictures will be held in the gym for this year to allow for spacing and social distancing with masks off. If weather permits, we will use outside doors of the gym to come in and out. This will allow for students to take masks off while waiting and when finished. If necessary, we will use the inside doors for entering and exiting.
