<https://studentaid.gov/h/apply-for-aid/afsa>

<https://www.d11.org/domain/1368> for information to help filling out the FAFSA

It is in your students' best interest to complete the FAFSA if they are attending college in the fall. The FAFSA can help access college and is often beneficial in financing college. Remember FAFSA is an ICAP graduation requirement. If you are not going to college in the fall, and instead will be joining the workforce or enlisting in the military, please have a parent email your counselor and we will waive the requirement. **It can't be waived without the email.**
