NoodleTools Access Instructions

1. Go to ppcc.edu/library and click on "Article Databases"
2. Click on the letter "N" and select "NoodleTools" from the list (if you are off campus or using your own laptop, you will be prompted to log in with your S number and password that you use to access your PPCC Portal).
3. If you have an account sign in at the top. If not, click "Register" and follow the instructions to make an account.

4. Once logged in, click on  to start.

5. Title your project, choose the citation style, select "Advanced" and click "Submit."

Create a new project X

Project title
For example, "History 101 report on George Washington"

Citation style

- MLA (MLA Handbook, 8th ed.)
- APA (APA Publication Manual, 6th ed.)
- Chicago/Turabian (Chicago Manual of Style, 16th ed.)

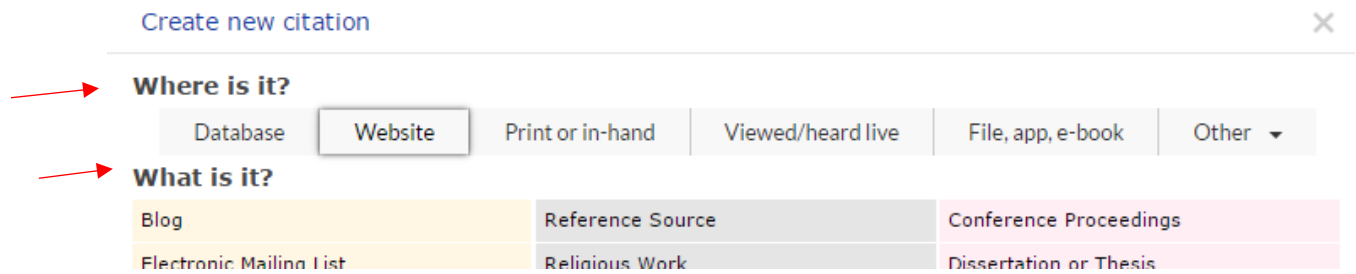

Citation level:

- Starter: Introduction to citing sources with 6 basic forms
- Junior: A small set of simplified citation forms
- Advanced: Comprehensive coverage of the style guides, 70+ forms

6. Click on "Sources" to make a bibliography/references/works cited page.

7. Within the “Sources” tab, click on  and then choose what type of source you are going to cite.

Create new citation

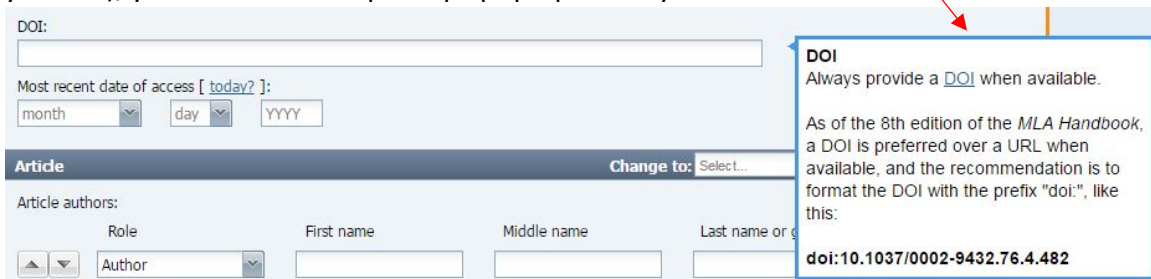

Where is it?

Database Website Print or in-hand Viewed/heard live File, app, e-book Other

What is it?

Blog	Reference Source	Conference Proceedings
Electronic Mailing List	Religious Work	Dissertation or Thesis

8. As you begin to fill in the form (everything with an * is required, but fill in as many as you can), you will notice helpful tips pop up when you click into a field

DOI:

Most recent date of access [today?]:

month day YYYY

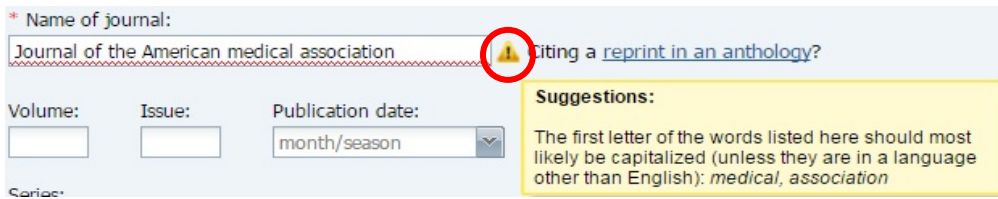

Article Change to: Select...

Article authors:

Role	First name	Middle name	Last name or c
Author			

DOI: doi:10.1037/0002-9432.76.4.482

Pay attention to these! These are really useful and help guide you in creating your citation. The yellow triangle also points out any errors as you’re filling in each field.

* Name of journal:

Journal of the American medical association

Volume: Issue: Publication date: month/season

Series:

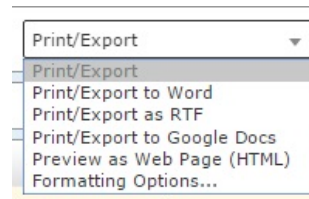

Warning: Citing a reprint in an anthology?

Suggestions: The first letter of the words listed here should most likely be capitalized (unless they are in a language other than English): *medical, association*

9. Once you have filled in as many fields as you can, click 

10. Repeat this process for each of the items you need to cite.

11. After you have all of your citations created, you can print or export your completed bibliography/references/works cited page.
