Class Dojo

What is Class Dojo?

- An app that connects parents with their child's day in school—behavior, work, pictures, etc.
- It's private—nothing goes out on the web, only our class can access our Dojo site
- It's about community—you'll see pics and read about what our class is doing and learning
- It's personal—You and I can communicate with private messages about your child.
- It's fun! Kids choose their own avatars, strive to earn Dojo points, and love to see those pics of themselves in school.
- It's free! If you're not already connected to Dojo, let me know, and I'll send you an invitation.

Thanks for Coming Tonight!

- ❖ Please leave any completed forms in Basket 1 on the back bookshelf
- ❖ Please take your handouts
- ❖ There are clipboards at each group for you to sign up for helping with parties, volunteering in our classroom, and/or requesting a beginning of the year conference
- ❖ I'm hoping to post this Power Point on the GMP page of the Stratton website. If you'd like a hard copy, please let me know.
