

ITSCO "In The School Counselors"

WHAT IS ITSCO?

- Founded and operated by current practicing clinicians
- Developed to serve the ever growing mental health needs of our youth
- D11 District-wide partnership to provide school based counseling practice
- Office locations available for services out of school

WHAT WE PROVIDE

- Direct, private sessions in the school
- Office locations in Colorado Springs to provide services outside of school
 - Services to kids, teens, adults, and families
 - In school, after school, and virtual options

WHY ITSCO?

- Highly trained and qualified therapists
- We accept most major insurances and have self-pay options
- Less hassle with transportation due to direct, in-school sessions
- In school, after school, and virtual options
- Enhanced opportunities for collaboration with in-school staff

OUR MISSION

To provide quality mental healthcare
to the school districts of Colorado Springs
by providing on-site
private counseling.
