

**NORTH MIDDLE SCHOOL**  
***REMOTE LEARNING DAY PLAN (APRENDIZAJE REMOTO)***

North Families:

During the 2022 – 2023 school year, Colorado Springs School District 11 has the option of three different types of inclement weather days, depending on the severity of the weather. Those options are as follows:

- 1) Full Closure: all District 11 schools and offices will be closed and there is no expectation of remote working/learning.
- 2) Two-Hour Delay: School will start in-person exactly two hours later than normally scheduled. Buses will pick up exactly two hours later than normal.
- 3) Remote Learning Day (Schedule below): During remote learning days, all D11 students and staff are expected to login to their device and work/learn remotely. At least 20% of instruction will be synchronous (teachers and students online together at the same time through WebEx). Staff and students will follow the two-hour delay schedule pictured below and will login to WebEx at the designated class start time. Teachers will have their WebEx link posted on their Schoology pages. It is important for students to have their devices and chargers with them in case of inclement weather. The Colorado Department of Education is allowing districts to utilize up to five days of remote learning during the school year in the case of inclement weather.

Inclement weather announcements will be made in the following ways: D11 Loop Email, D11 App notification, and text messaging. North will also send a Blackboard message and will post on social media outlets.
