

SAC Meeting Minutes 11/8/22

In attendance: Kelly Sanchez, Catherine Fuston, Daniel Smith, Sandra Bankes, Aaron Ford, Jen Williamson

Staffing Updates:

Ms. Hudson (special ed) is leaving, replacement has already been found

Interviewed a teacher for the new preschool today, waiting for confirmation

Still looking for after school care coordinator (full time benefits eligible position)

Audubon is one of 17 d11 priority improvement schools because of this Aaron presented to the Board of Education Work Session last week. After receiving feedback from the BoE, Superintendent and DAC Accreditation Committee, Aaron proposed the following change to the One Plan: Moving the 3rd Major Improvement Strategy Goal which is about teacher collaboration into the first two Goals. This was approved by all.

We are at 35 percent participation rate in the 5E survey, everyone is encouraged to share the link for this survey. The goal is 65 percent and it is due November 22.

We had 97 percent participation in Parent/Teacher Conferences!

The school will be using \$10,000 from Empower School to pay for subs so that teachers can have a day to dig into math teaching.

Review of PLC schedule for the year

There is a renewed focus on goal-setting with the students and involving parents in those goals.

The SAC members would like to think more on ways we can help Audubon like supporting students during CMAs week and helping teachers feel supported.
