

Telephone Access

Before you can access the online system, you must call into the SmartFind Express (SFE) System and register.

System Phone Number: (719) 639-2005 OR (719) 520-2484

Access ID# _____ (Employee ID Number)

PIN # _____ (see #2 below). Phone system will always use numeric PIN, never a Password.

1. Enter your Access ID # (5 digit Employee ID #) followed by the star (*) key.
2. Enter your PIN, followed by the star (*) key. **If this is your first time, both numbers will be the same, (your 5 digit Employee ID #).**
3. Record your name and press star (*) when finished.
4. Then you will be prompted to enter a 6-digit numeric PIN of your own. This will now become your new PIN.
5. Finally, you will hear the location and your classification. If either of these is incorrect, call (719) 520-2182 so it can be changed.

Main Menu

- Create an absence
- Review, cancel, or modify jobs
- Review work location and classifications
- Change your PIN # or the recording of your name.

Create an Absence

To enter an absence, follow these steps:

1. Call the main system number
(719-639-2005 OR 719-520-2484)
2. Enter your Access ID # and PIN # both followed by the star (*) key.
3. Select "1" to create an absence.
4. Select the start and end dates for the absence. The system asks you to indicate whether the absence is only for today, tomorrow, or if you want to enter the dates. The dates are entered as four digits in the format of MMDD.
5. Select the start and end times for the absence. The default times for the absence location will play. Accept the default or enter specific times. The times are entered as four digits in the format of HHMM. It will ask you to indicate am or pm.

If this is a multiple day absence, each day's time must be confirmed. Enter times the Substitute is needed, if different.
6. Select a reason for the absence and press the star (*) key.
7. You can record special instructions. This needs to be a positive, instructional message, because every sub that is called for this job will hear these. Since every Substitute that is called for this job hears these instructions, do not say that you do not want a particular sub.

8. Confirm that a substitute is required for the absence. If a substitute is required you may specify or prearrange a substitute.

Requesting a substitute means that only the specified substitute will be called for that job until the following occurs:

- A set time which is (8:00 pm) the night before the absence occurs, before the job is released to other substitutes.
- The specified substitute declines the job.
- The requested sub is prearranged. An absence is considered prearranged if you have talked with a substitute who verbally confirmed that they would cover your absence. Prearranged substitutes will not be called by the system.

Review, Cancel, or modify a job

1. (719) 639-2005 OR (719) 520-2484.
2. Enter your Access ID # and PIN #, both followed by the star (*) key.
3. Press "2" to review, cancel, or modify absence.
4. Open and Active jobs are played by date order. Must view past jobs on Web Center.
5. When canceling a job, it is your responsibility to call the assigned substitute.
6. To confirm cancellation. Wait until the system says, "Job number xxxxxx has been canceled. If you do not wait for this message, there is no guarantee that the absence has been canceled."

Pre- Arranged Sub

If you have a Pre -Arranged agreement with a substitute, check the "Yes" box. If you are uncertain, check the "No" box to have the system call the substitute indicated. If you do not designate a specific sub, do not make a selection in this area. Click the 'Submit' button to enter the absence.

If you **do not know the substitute's** phone number, click on 'Name Lookup'. Enter substitute's last name in the box. Click on 'Search' button to see a name list. Substitute Not Required

If a substitute is not required, click the "No" circle.

Substitute Instructions

You can type instructions for the substitute in the box. When the sub reviews the assignment, the instructions will appear. Then click '**Continue**'.

The next screen to appear allows you to double-check your entries. If correct, click 'Create Absence'. If not, click on cancel, it will bring you back to the beginning to start over. Make the appropriate changes and then click the 'Create Absence' button.

All discrepancies in question, contact the Employee Attendance Office at (719) 520-2182 for help or clarification. **Only jobs that were called in the SFE system will appear in the history.**

How to Cancel a Job- Today or Future dates only:

Make sure you are on the 'Review Absences' page. Click on the 'Review Absence Tab', click on 'Search'.

Click on the 'Job Number' to be canceled. Press the 'Cancel Job' button. (This must be done 2 hours prior to the job starting). A job cannot be canceled once it has started. You will get a message in red showing your Job has been successfully canceled.

To create or review other absences, click on either the 'Create Absences' or 'Review Absences' tabs. When finished, press the 'Log Off' button.

Anytime you have canceled a job for which a substitute has been requested, it is your responsibility to contact the sub by telephone to let that person know they are no longer needed. The SFE system will not cancel the sub for you, you must do it yourself. If you fail to call and cancel your sub and the sub reports for work, your school will be charged for one-half day's sub-pay for having the sub report to work unnecessarily.
