Dear D11 Community,

The Galileo Garden Project has undertaken a drive to spread social awareness about the importance of community, nutrition and basic education. Our initiative can help to be sustained with the aid of volunteers; individuals who can spare a couple of hours every week for this cause. Galileo Volunteers will have the opportunity to gain knowledge of self-grown produce, native and non-native plant species, teamwork, and benefits of education by hands on experience. We appeal to all to come forward and help in this wonderful ever growing project. For more information on how to register as a volunteer, please visit the D-11 website under the Parents and Community drop tab/ Volunteer Services or simply call Galileo during office hours 719-328-2200) and request our Volunteer Information. Our helpful office staff will be happy to assist with the registration process.

Galileo thanks you for your continued faith and support in our goals.

8th Grade Fundraiser
Papa John’s Friday in March

8th grade is doing a fundraiser for the entire month of March to help with our end of year field trip to Elitch’s. Every Friday during March we are having a fundraiser at Papa Johns at 621 N Union Blvd. 20% of the proceeds will go toward the Elitch’s field trip. We hope you are able to help out.

---

Attendance: Did you know? If your student is ill for more than 3 consecutive days, we will need a doctor’s note to excuse any additional days. Your student can log in to Student Connect to see his/her assignments and email teachers if necessary.

Kathy Stetler Attendance Secretary 719-328-2208
In 7th grade science we have just completed making models of plant and animal cells. In my class we have begun a unit that will have the students taking vital signs using blood pressure cuffs and thermometers. During this unit we will be making artificial lung models and artificial hand models with tendons that contract the hand. We will end the unit by dissecting sheep brains.  

Mrs. Hagerman

Boys Track Schedule
All meets are at Garry Berry Stadium
Meet start time 4:45 p.m.

Thursday April 11
Wednesday April 17
Saturday April 20
