Treasurer's Report

Good news from the Treasurer (Heather) – very profitable King Soopers dividend this quarter - \$702.30. Which brings the current PTA bank account balance to \$5,113.76.

No other income, expenses, or transactions to report beyond the payouts to teachers for grants, which we approved last meeting.

With two months of school left, things to consider from a Treasury perspective include what to do with PTA funds if PTA doesn't continue and if there are any further expenses or events for the remainder of the school year.

Planning ahead: The only remaining requirement for Treasury this year will be the Audit. Heather will put together everything but will need two people to review and sign off. (Shane and Jen can sign it.)

This occurs sometime after the end of this school year.

NEW Business

Teacher Request

Teacher grant request – this was in the mailbox from January. From Ms. Bevans requesting funds to start a running club—roughly \$100. We voted to fund this. Shane will follow up with her to get her the payment. This will give her funds to arrange this in the fall.

Teacher Appreciation May 3-7 – PTA can supply funds for breakfast/lunch

About 70 people total in the building.

Let's plan on the Wednesday of that week. May 5.

Alfonso's on 21st – Shane could pick it up and deliver to school. She will call and arrange and bring them over. Teachers are teaching by 8 so it would be good if they were delivered around 7:30 am.

Should be in and around the \$500 mark—we voted to approve.

Membership link to join PTA -- \$10 for indiv, \$18 for 2 family members, \$7 for teachers & staff:
