S.A.C.

WHAT IS A S.A.C.

S: School, A: Accountability, C: Committee. A SAC is a group of volunteers that serve as an advisory body regarding business of the school.

What Does The SAC Do?-

Every voice in the school community is important. SAC provides an opportunity for all to be a part of the conversation. The Members along with staff think through the planning and evaluation of the school's instructional program and quality improvement processes.

*SAC can be one of the best ways for parents and community to weigh in on how a school spends its money
